How You Can Help Revive Passenger Rail in Your Community

Vision

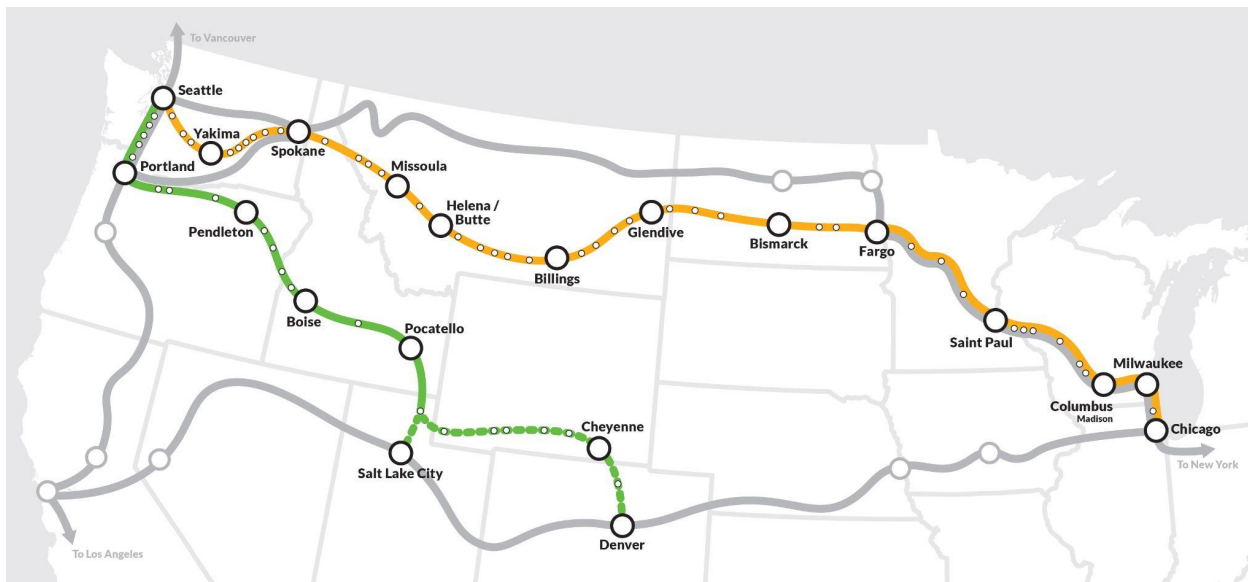

Our vision is for a transportation network that

- Provides **seamless, door-to-door connectivity** to everyone in the region; and
- Offers **economic, environmental and equity benefits** to all, including low-income, tribal, disability and rural communities, locations where transportation alternatives are limited, and those who cannot drive.

Passenger Rail Opportunities

In 2022, there is:

- Unprecedented **federal funding available** for transportation alternatives
- Growing **state and local interest** in rail and active transportation
- **Climate, local economic development, and equity** pressure
- Existing **rail, road, and urban infrastructure** available
- **Studies of previous passenger rail routes** being undertaken through Federal legislation

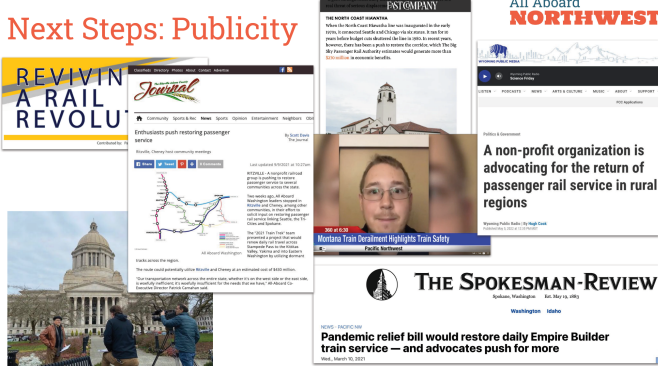

Let's Make it Happen!

Communities can apply for competitive grants, but funding will require local and state government support. All Aboard Northwest can bring the discussion to your community. With your help, we can organize:

Publicity

We'll provide materials for broadcast, print and blogs.

Next Steps: Publicity

Meetings

We'll help you lead discussions with city councils, chambers of commerce, service clubs, and the public.

Be a Stop on AANW's Train Trek!

We're traveling again, to lead discussions on the benefits of rail with communities around the region. This year's [Train Trek](#) theme is "How to Revive Passenger Rail."

We'll be available August 1-21, 2022, to hold in person, remote, or hybrid meetings. We'll be available remotely at other times.

Would you like us to visit your town? Here's what we'll need:

- Local co-sponsors (government, economic development organization, service club, media outlet)
- Logistical support (meeting venue, lodging if needed)
- Local keynote speakers
- Advance publicity
- Sponsors and donations to cover costs
